b. **Supervisor:** An individual employed by an agency having authority in the interest of the agency to hire, direct, assign, promote, reward, transfer, furlough, layoff, recall, suspend, discipline or remove employees, to adjust their grievances, or to effectively recommend such action, if the exercise of the authority is not merely routine or clerical in nature, but requires the consistent exercise of independent judgment, except that, with respect to any unit which includes fire fighters or nurses, the term 'supervisor' includes only those individuals who devote a preponderance of their employment time to exercising such authority.

c. **Management official:** An individual employed by an agency in a position the duties and responsibilities of which require or authorize the individual to formulate, determine, or influence the policies of the agency.

d. **Collective bargaining:** The performance of the mutual obligation of the representative of an agency and the exclusive representative or employees in an appropriate unit in the agency to meet at reasonable times and to consult and bargain in a good faith effort to reach agreement with respect to the conditions of employment affecting such employees and to execute, if requested by either party, a written document incorporating any collective bargaining agreement reached, but the obligation referred to in this paragraph does not compel either party to agree to a proposal or to make a concession.

e. **Consultation:** Mutual discussion of policies, programs, and procedures related to working conditions of members of the unit which are within the authority of the Employer for the purpose of obtaining Union views before the Employer takes final action. This definition does not compel either party to agree to a proposal or make a concession.

f. **Negotiations:** Good faith bargaining between the Employer and a Union with the objective of reaching an agreement with respect to personnel policies and practices and matters affecting working conditions, so far as may be appropriate under applicable laws, regulations and published policies.

Section 10. The Union President will be allotted five (5) hours of official time weekly for representational activities. Because of the unique physical situation of the JRRF, this time will normally be used in the Union office so that unit employees and management officials will be able to communicate more easily with the Union President.

ARTICLE 9

PAYROLL WITHHOLDING OF UNION DUES

Section 1. An employee, who is a member in good standing of the Union, may voluntarily authorize an allotment from his pay to cover the cost of regular dues for such membership provided that all the following requirements are met:

- (a) The employee's salary for the payroll period involved is sufficient to cover the amount of the dues after legal deductions and allotments have been made.
- (b) The employee has voluntarily completed a request for such allotment from his pay with full knowledge of the limitations on revocation of the authorization.
- (c) The employee is included in the unit for which exclusive recognition has been granted.

Section 2.

- (a) The Union agrees to provide to its members in good standing the Request for Payroll Deductions for Labor Organization Dues (SF 1187) and to receive completed forms from members who want to request allotment. The President or Treasurer of the Union is designated to receive completed forms, to enter the current amount of the regular dues to be deducted for the member each pay period, and to determine whether the member is in good standing with the Union. The Union will then submit the forms for processing.

(b) Allotments authorized on properly completed and certified forms, which are received by the Employer, will be processed in an expeditious manner.

Section 3. The Employer will withhold the amount of regular dues set by the Union from the pay of each employee for whom it has a properly executed current allotment authorization. If the amount of regular dues is changed, the Union will notify the Employer in writing of the change. Only one (1) such change will be made in any period of twelve (12) consecutive months.

Section 4. The Employer will terminate an allotment:

(a) At the end of the pay period following notification of loss of exclusive recognition by the Union.

(b) At the end of the pay period during which an employee separates from the Union or moves to a position not included within the unit of recognition

(c) At the first complete pay period after written notification is received from the Union that an employee is no longer a member in good standing.

(d) Upon receipt of a properly completed SF 1188, at the beginning of the first pay period one (1) calendar year after the employee's dues have been withheld, or if the allotment is not revoked at the end of the first year it has been in effect, any revocation will be effective on the first pay period beginning on or after March 1. Employees desiring to submit a revocation form (SF 1188) must submit the completed form during the six (6) weeks prior to the revocation period to the Employer. A copy of these forms will be provided to the local Union.

Section 5. A supply of SF 1188s will be maintained by the Administration Office. An Employee may request one of these forms personally or in writing from the Administrative Office. The form will be released only upon proper request of an employee.

Section 6. Remitting the Amount withheld. Upon disbursement for each pay period, the Payroll Office will certify for payment the net amount of dues withheld from employee salaries and forwarded to the designated NAIL bank account. The Union will be provided a report of the employee members designated by their Union local number, who have current allotment authorizations on file; the amount withheld from each person's pay; and a statement showing the total amounts withheld and the net balance remitted. Also identified will be those employees whose pay is not sufficient to cover the full amount of the deductions and whose allotments are being terminated at the beginning of the next pay period. A copy of this listing will also be provided to the Local.

ARTICLE 10

HOURS OF WORK

Section 1. The administrative work week is a period of seven (7) calendar days, Sunday through Saturday, within which the basic work week is scheduled.

Section 2. The basic work week consists of four (4) ten (10) hour work days, Monday through Thursday, with the exception of Fleet Patrol/Small Craft Operator and Fleet Gate Guard positions. The compressed work schedule may be terminated in accordance with 5 USC 6131.

Section 3. The hours of work under the compressed work schedule are 0700 to 1730. This will include a ½ hour non-paid lunch period and two 15 minute on the clock breaks per day.

Section 4. All Bargaining Unit employees, excluding shift workers, will be required to work this 10-hour per day schedule. Employees may request an exception to this work requirement, such as a standard eight hour day. The second level supervisor may approve such requests on a case by case basis.

Section 5. Fleet Patrol/Small Craft Operators and Fleet Gate Guards work an eight hour rotating shift, which rotates every two weeks. Shift workers are authorized rest periods at their work station in accordance with 5 CFR 551.411(b).

Section 6. In accordance with 5 CFR 610, the Employer may make temporary changes to an employee's regularly scheduled basic workweek (tour of duty) as necessary to carry out the mission of James River Reserve Fleet, or for the purpose of the employee's administrative travel, training, or adherence to the tour of duty of a detail.

Section 7. The Employer will provide reasonable time for employees, consistent with the nature of work performed, to clean up prior to the end of the workday and to clean and store government property, equipment and tools.

ARTICLE 11

OVERTIME

Section 1. All parties to this agreement recognize that the performance of overtime is a condition of employment. Overtime is defined as hours in a pay status in excess of an employee's normal scheduled work day, or in excess of 40 hours in any administrative work week. Employees qualifying for overtime will have their time computed in accordance with applicable law and regulations.

Section 2. Overtime assignments for non-shift work employees will be offered to qualified employees on an alphabetical and rotational basis among the employees who

are assigned to the same Position Description number, (i.e. current classification series and grade, e.g. Rigger, Grade 10, Electrician, Grade 8, etc.). When assigning overtime the qualified employee with the least amount of overtime on the roster will normally be assigned the overtime. Whenever possible, non-shift work employees will be notified of overtime assignments at least two (2) days prior to the day the overtime is to be worked.

Section 3. Overtime assignments for shift work employees will be distributed in a fair and equitable manner for each position category.

Section ss4. The overtime roster will be established and maintained current by the Employer for each classification series and grade on a form furnished by the Employer. The overtime roster will restart at the beginning of each pay year. The overtime roster will be posted and a copy will be provided to the Union President. The Union President will be allowed to verify the overtime roster against the overtime sheets.

Section 5. For the purposes of the overtime roster, overtime declined will be counted, hour for hour, as overtime worked. If an employee has approved annual leave, overtime will not be counted against that employee as declined overtime.

Section 6. If a sufficient number of employees are not available from the roster the Employer will direct overtime. For this and other situations when directing overtime, the qualified employee with the least amount of overtime on the roster will normally be assigned the overtime. In the event the employee with the least amount of overtime is not available (such as being on leave), then the next employee with the least amount of overtime will be assigned the overtime and so on until the Employer is able to assign an employee to that overtime assignment. For promotions and new hires, the employee will be added to the overtime roster in alphabetical order and credited with the highest number of overtime hours reflected in the roster, relative to series and grade.

Section 7. When the Employer requires employees to work overtime assignments, the Employer will provide as much advance notice to the affected unit employees as possible. Whenever possible, except in an emergency, the Employer agrees to attempt to provide the employee at least two (2) hours notice before directing the employee to work unscheduled overtime.

Section 8. Schedule of personnel for weekend overtime will be posted on bulletin boards prior to close of business Wednesday. An employee offered to work weekend overtime after the close of business Wednesday who declines the overtime offer, will not be charged for overtime declined on the roster.

Section 9. Irregular or occasional overtime work performed by an employee on a day when work was not regularly scheduled for the employee or for which the employee has been required to return to the place of employment shall be considered to be at least two hours in duration for the purpose of overtime pay, regardless of whether employee performs work for two hours.

Section 10. In emergency situations, employees who are more readily available, such as employees who can arrive at Fort Eustis quickly may be contacted first for unscheduled overtime assignments.

Section 11. Employees in a light duty status will generally not perform overtime.

Section 12. An employee who declines temporary duty as referenced in Article 32, and should overtime be worked during that temporary duty assignment, then that employee will be charged as overtime worked, unless the employee had projected leave scheduled. Management will process applications of credit cards for Temporary Duty in a timely manner. If an employee is offered a Temporary Duty assignment and fails to qualify for a credit card, the employee will be charged overtime. In the event the credit card application is not processed in a timely manner through no fault of the employee, the employee will not be charged overtime.

Section 13. An employee scheduled for overtime is expected to report at the scheduled time. If unable to report for scheduled overtime, the employee must contact the designated contact number not more than 30 minutes after the scheduled start time. A contact number will be provided for each scheduled overtime assignment. Failure to comply with this section may result in disciplinary action.

ARTICLE 12

HOLIDAYS

Section 1. Employees shall be entitled to all federal holidays now prescribed by law and any that may be later added by law and all holidays that may be designated by Executive Order.

Section 2. Employees in a pay status either the day before or the day after the holiday shall receive holiday pay in accordance with applicable law and regulation.

Section 3. Employees assigned to regularly scheduled night work are entitled to night differential pay in accordance with applicable regulations on all work days designated as holidays.

ARTICLE 13

ANNUAL LEAVE

Section 1. The employee shall earn and be granted annual leave in accordance with applicable regulations.

Section 2. The Employer agrees to continue to grant annual leave to employees for the purpose of rest, relaxation, recreation or for other justifiable reasons, such as the employee's birthday consistent with workload requirements. Annual leave will normally be requested at least two (2) workdays in advance. Approval of requests for annual leave for unforeseen emergency reasons will be considered as the circumstances warrant. Failure to follow proper procedure for requesting leave may result in the denial of leave.

Section 3. An employee will not normally be called back from leave by the Employer unless no other qualified unit employee is available to perform the required duties.

Section 4. An employee unable to report for duty because of a personal emergency must request annual leave by requesting leave from the Employer no later than two hours after the start of his/her regularly scheduled work shift, by communicating directly with the first line supervisor, or second line supervisor. If neither can be reached after a reasonable effort, the employee may leave a telephone message on the supervisor's telephone that details the amount and type of leave requested, and if possible a valid call back number.

Section 5. An annual leave vacation schedule for periods of one or more weeks will normally be scheduled on a yearly basis. Employees will be provided the opportunity to submit their requests for vacation leave to their supervisor by 1 March. Supervisors shall establish a leave schedule by 1 April providing each employee with his/her first choice where workload and mission requirements permit. A conflict in vacation leave scheduling among employees will be resolved in favor of the most senior employee using the current EOD at the Reserve Fleet. Upon an employee's request, the supervisor may change the schedule providing it will not affect the choice of another employee unless that employee agrees to a change. When the Employer finds it necessary, due to emergency, to cancel previously scheduled leave, the reasons will be provided to the affected employee as far in advance of the anticipated vacation leave as possible.

Section 6. When an employee needs to take leave within the middle of a work day, he/she must request and receive approval of the leave from the first or higher level supervisor prior to leaving the Fleet.

Section 7. The SF-71 or automated leave request (as appropriate) will normally be completed prior to scheduled leave. However, the SF-71 or automated request may be completed immediately upon returning to work on the first day back in case of unscheduled or emergency leave.

Section 8. In the event the automated leave request is mandatory the employee(s) will be provided assistance and training as needed.

ARTICLE 14

SICK LEAVE

Section 1. Employees will accrue sick leave in accordance with applicable laws and regulations. The Union joins the Employer in recognizing the insurance value of sick leave and agrees to encourage employees to conserve such leave so it will be available to them in case of extended illness.

Section 2. Earned sick leave shall be granted to employees when they are incapacitated for the performance of their duties provided that employees not reporting for work because of incapacitation for duty must request leave from the supervisor or the supervisor's designee, as soon as possible prior to the start of the employee's shift, but not later than two hours after the start of the duty shift unless emergency conditions preclude such notification. If neither can be reached after a reasonable effort, the employee may leave a telephone message on the supervisor's telephone that details the amount and type of leave requested, and if possible a valid call back number. Employees on sick leave are required to call in daily, unless they provide documentation from their physician or practitioner stating that the employee is incapacitated and the estimated time of the incapacitation. Administratively acceptable documentation must be provided either prior to the employee's sick leave or upon the employee's return to work.

Section 3. Administratively acceptable medical documentation must meet all of the following requirements;

- (a) it must include a finding that the employee was incapacitated from duty for each and every day of the period of the absence for which any type of leave is requested;
- (b) it must indicate the beginning and ending dates of incapacitation;
- (c) it must be on the physician's letterhead or prescription pad and signed with an original signature by a physician or a practitioner – a stamp is not acceptable; and
- (d) if the medical certificate is for a medical appointment, it must give the date, time, and location of the appointment.

A mere statement from the physician or practitioner that you were "under his/her care" is inadequate to substantiate a request for leave for which administratively acceptable medical documentation is required.

Section 4. Sick leave, if available, will be granted to employees in accordance with applicable statutes and regulations when they are incapacitated for performance of their duties by sickness, injury, or pregnancy and confinement, for medical, dental, or optical examination or treatment; or when exposed to contagious quarantinable diseases and when the presence of the employee at his/her post of duty would jeopardize the health of co-workers. When practical, requests for sick leave for non-emergency medical, dental or optical examination or treatment shall be submitted for approval in writing as far in advance of the appointment as possible, unless precluded by emergency conditions. Employees will make reasonable efforts to schedule such appointments after working hours or on non-work days.

Section 5. Normally, employees shall not be required to furnish a doctor's certificate to substantiate a request for approval of sick leave unless such sick leave exceeds three (3) working days of continuous duration except in individual cases where there is reason to believe the employee is abusing sick leave privileges. In such cases, the employee shall first be advised orally that, because of the questionable sick leave record, a medical certificate may be required for each subsequent absence on sick leave or other absence as a result of claimed illness. If this does not bring about the desired improvement in his/her sick leave record, he/she will be advised in writing that all future requests for sick leave must be supported by an administratively acceptable medical certificate. This requirement shall be reviewed by the immediate supervisor or as requested by the employee at the end of six (6) months to determine if it should be eliminated. The employee shall be informed in writing of the decision to cancel the requirement. When the requirement for a medical certificate is to be continued, the employee shall be informed orally and confirmed in writing of this decision by the immediate supervisor.

Section 6. Periods of absence on sick leave in excess of three (3) work days of continuous duration will normally be supported by an administratively acceptable medical certificate to be filed within fifteen (15) calendar days after return to duty. In lieu of a medical certificate the employee's signed statement explaining the nature of his/her illness will normally be accepted when considered unreasonable to require a medical certificate because the illness did not require the services of a physician or because of the employee's excellent leave record.

Section 7. In accordance with OPM regulations and if considered appropriate, the Employer may require an additional medical opinion or a fitness for duty examination at the Employer's expense.

Section 8. In accordance with controlling statutes and regulations career or career-conditional employees who are incapacitated for duty because of serious illness or disability will normally be advanced unearned sick leave not to exceed 30 days provided there is a reasonable expectation that the employee will return to duty and remain on duty for a period sufficient to liquidate the advance of subsequent accrual.

Section 9. When a medical official has certified that an employee has physical restrictions that preclude the full performance of the duties of his/her assigned position, the Employer agrees to make every reasonable attempt to assign duties that the

recovering employee can perform within the given restrictions for a reasonable period of time. The Fleet has no permanent "light duty" billets.

Section 10. Family Care or Bereavement

(a) Employees may use sick leave to (1) provide care for a family member as a result of physical or mental illness, injury, pregnancy, childbirth, or other condition which, if the employee had such condition, would justify the use of sick leave; or medical, dental, optical examinations or treatment; (2) make arrangements necessitated by the death of a family member or attend the funeral of a family member, or (3) when exposed to contagious quarantineable diseases and when the presence of the employee at his/her post of duty would jeopardize the health of co-workers.

ARTICLE 22

REDUCTION-IN-FORCE, TRANSFER OF FUNCTION, REORGANIZATION

Section 1 The Employer and the Union jointly recognize that occasions may arise where adjustments of the work force may be necessary by reduction-in-force, transfer of function, or reorganization.

(a) Reduction-in-Force (RIF) means when an agency releases a competing employee from his or her competitive level by furlough for more than 30 days, separation, demotion, or reassignment requiring displacement, when the release is required because of lack of work; shortage of funds; insufficient personnel ceiling; reorganization; the exercise of reemployment rights or restoration rights; or reclassification of an employee's position due to erosion of duties when such action will take effect after an agency has formally announced a reduction in force in the employee's competitive area and when the reduction in force will take effect within 180 days.

(b) Transfer of function means the transfer of the performance of a continuing function from one competitive area and its addition to one or more other competitive areas, except when the function involved is virtually identical to functions already being performed in the other competitive area(s) affected, or the movement of the competitive area in which the function is performed to another commuting area.

(c) Reorganization means the planned elimination, addition or redistribution of functions or duties in an organization.

Section 2. Following notification of a RIF, transfer of function, or reorganization, the Employer shall furnish to the Union, upon written request, data necessary to satisfy its bargaining obligations and representational responsibilities consistent with 5 USC 7114 and subject to any Privacy Act or other statutory limitations. Such information shall include the type and estimated number of positions to be abolished, retention registers and organizational charts. All information provided will be safeguarded and used only for representational purposes. Responsive information will be provided in sanitized or un-sanitized forms as appropriate. Access to an employee's personnel file (OPF) shall be limited to government officials in executing their official duties, the employee or the employee's representative upon receipt of the employee's written authorization.

Section 3. In order to establish retention standing, the employee is entitled to his performance ratings of record. The cut off for performance consideration will be the most recent annual rating of record.

Section 4. The results of performance appraisal will be used in reduction-in-force in accordance with 5 CFR Part 351

(a) Additional service credit for RIF purposes shall be given based on an employee's three most recent annual performance ratings of record received during the 4 year period prior to the date of issuance of a RIF notice.

(b) Credit shall be given only for those ratings which are pre-scheduled and are given annually at the end of the employee's rating period. An employee who has received at least one but fewer than three previous ratings of record during the 4-year period shall receive credit for performance on the basis of the value of the actual rating(s) of record divided by the number of actual ratings received. If an employee has received only two actual ratings of record during the period, the value of the ratings is added together and divided by two (and rounded in the case of a fraction to the next higher whole number) to determine the amount of additional retention service credit. If an employee has received only one actual rating of record during the period, its value is the amount of additional retention service credit provided.

(c) No rating of record will be assigned for the sole purpose of affecting an employee's RIF retention standing.

(d) The effective date of an employee's rating of record shall be the ending date of the employee's performance appraisal period. However, service credit for RIF shall be given only if the employee's rating of record was signed by the required rating and approving officials and must be on record in the MARAD Personnel Office.

Section 5. The competitive area as defined by the Employer for the purpose of Reduction-in-Force shall be Employees of the James River Reserve Fleet (JRRF).

Section 6. The Employer agrees to inform the Union of the names of the employees to be separated or downgraded by Reduction-in-Force as soon as the information becomes available. This information will be updated throughout each phase of the Reduction-in-Force. In addition, the Employer will provide the Union updated retention registers. The Employer will communicate all changes made to the register as soon as such changes become available.

Section 7. Order of retention is as set forth in 5 CFR 351

Section 8. The Employer will apply all RIF rules and regulations uniformly and consistently to all individuals in the JRRF. No action will be taken or not taken for prohibited non-merit reasons including and/or non-membership in the Union. Employees are entitled to statutory and regulatory rights during a Reduction-in-Force and it is the responsibility of the Employer to protect those rights. It is the Employer's

intention to provide affected employees with benefits and entitlements provided by law and regulation.

Section 9. In carrying out the Reduction-in-Force, management agrees to use vacant positions that need to be filled to the maximum extent possible to avoid the displacement of and/or release of employees affected by the RIF action. All RIF actions will be carried out in strict compliance with applicable personnel laws, rules and regulations.

Section 10. Reemployment lists as prescribed by OPM shall be established for employees separated by RIF. All career and career-conditional employees separated by RIF shall be placed on the Re-Employment Priority List for all positions for which they are qualified. The affected employees will be advised via notification contained in the RIF package under the heading "Re-Employment Priority" of the specific requirements for requesting placement on the Re-Employment Priority List. The names of all persons shall be placed on the list in the following priority order (subgroup):

- (d) All career conditional preference eligible employees with service-connected compensable disabilities of 30% or more;

- (f) All career conditional non-preference eligible employees.

Such employees will be given preference in accordance with their service computation date and subgroup for rehiring in temporary and permanent positions for which qualified. It is understood that acceptance of temporary appointment will not alter the employees right to be offered permanent employment. Within a subgroup, separated employees must be rehired based on the employee with the earliest retention standing to vacancies of the same job titles and grade from which separated after re-promotion eligible's are placed, and will be given preference for other positions.

Section 11. Re-promotion; The Employer will maintain an up-to-date list of employees who were demoted as a result of the RIF and provide that list to the Union. These employees will remain on the list until re-promoted, separated, or until their entitlement to pay/salary retention terminates or they decline a valid offer. Employees on the re-promotion lists will receive placement/re-promotion based on employee retention standing at the time of the RIF to vacancies of the same title, series and grade from which the employee was downgraded and will be given preference for other vacancies.

Section 12. Adverse Actions resulting from Reduction-in-Force are appealable to the Merit Systems Protection Board. Other RIF actions are subject to the negotiated grievance procedure. Grievances must be filed at Step 2.

Section 13. The Employer will advise the Union president in writing, hand delivered, of any proposed or anticipated Reduction-in-Force, transfer of function, or reorganization that affects positions or conditions of employment. At that time the Union may request bargaining.

Section 3. TDY assignments will be equitably distributed to qualified employees on an alphabetical and rotational basis among the employees who are assigned to the same Position Description number, (i.e. current classification series and grade, e.g. Rigger, Grade 10, Electrician, Grade 8, etc.) Starting with the highest grade no employee who performs assigned task at JRRF will be excluded from TDY consideration because of grade if they possess the required qualifications.

Section 4. TDY Rosters will be established and maintained current by the Employer for each classification series and grade on a form furnished by the Employer. Rosters will take effect upon approval of this Agreement. Rosters will be posted and a copy will be provided to the Union President.

Section 5. When possible, TDY lists will normally be posted at least two (2) weeks in advance of the TDY.

Section 6. Upon written request the Employer will inform the Union of the number of grades of Bargaining Unit employees to be assigned TDY assignments.

Section 7. An employee may request to be relieved from TDY. However, an employee directed to perform a TDY assignment will comply.

Section 8. If a sufficient number of qualified employees is not available from the TDY roster the Employer will direct the required number of employees to perform TDY work. When directing TDY assignments, the qualified employee with the fewest number of instances of TDY assignments on the TDY roster will be assigned the TDY. In the event the employee with the fewest instances of TDY assignments is not available, then the next employee with the fewest instances of TDY assignments will be assigned the TDY and so on until the Employer is able to assign the required number of employees to TDY. In the event of a tie, assignment will be made on an alphabetical basis based on the employee's last name.

Section 9. In accordance with Federal Travel Regulations, and in the event government transportation is unavailable employees may request to drive their own POV to TDY assignments if the total cost is advantageous to the government.

Section 10. When more than one unit employee travels from the Fleet to a temporary duty assignment, consideration will be given in making the travel arrangements to :

- (a) group rates offered by hotel/motel facilities;
- (b) economy of mileage expenses; and
- (c) conservation of energy.

Recommendations for facilities are welcomed and will be considered in management's decision.

ARTICLE 33

DISCIPLINARY AND ADVERSE ACTIONS

Section 1. Both parties recognize the Employer's right to administer disciplinary actions for just and sufficient cause as to promote the efficiency of the service. All disciplinary and adverse actions will be in accordance with applicable law and OPM regulations. MAO 770-751 provides guidance on such matters. All disciplinary actions will be initiated in a timely manner.

Section 2. Disciplinary actions: Oral admonishments, written reprimands, and suspensions of fourteen (14) days or less. An employee will have at least ten (10) days to respond to a proposed suspension of fourteen (days) or less.

Section 3. Adverse actions: Removals, suspensions for more than fourteen (14) days, reduction-in-grade or pay, and furloughs for thirty days or less. An employee will have at least fifteen (15) days to respond to a proposed adverse action.

Section 4. When effecting suspensions or adverse actions, the employee will be informed in writing of the reasons for the proposed action and time frames for replying to the proposed action. The employee will be issued a written decision on or before the effective date of a disciplinary or adverse action. The decision notice will include the applicable grievance/appeal rights.

Section 5. A grievance concerning a disciplinary action must be filed within fifteen (15) days of the effective date of the action at Step 2 of the negotiated grievance procedure. Adverse actions are appealable to the Merit Systems Protection Board.

Section 6. Upon request, the Employer will furnish the employee against whom a disciplinary or adverse action is proposed, or his/her designated representative, a copy of the material relied upon to support the proposed action.

ARTICLE 34

GRIEVANCE PROCEDURE

Section 1. The Parties recognize and endorse the importance of bringing to light and resolving grievances in a prompt manner. The Parties agree that the expeditious settlement of grievances at the lowest possible level is in the best interest of the Government. This procedure is designed to provide an orderly and equitable means for resolving grievances.

Section 2. Unit employees covered by this agreement may present a grievance, which may be adjusted with, or without Union representation at the grievant's discretion. However, the Union shall have the right to have its representative present at the adjustment. This right to individual representation does not include the right to take the matter to arbitration, unless the Union agrees to do so.

Section 3: The Parties by mutual agreement may use Agency provided Alternative Dispute Resolution (ADR) at any step during the grievance process. ADR is a proactive method encouraged by the Parties to facilitate communication and attempt to settle unresolved contractual grievances. Nothing in this Agreement shall preclude discussions between an employee and/or the employee's designated Union representative and the employee's supervisor about a matter of concern to either of them.

Section 4. This article provides procedures for the processing of grievances relating to the interpretation and/or application of this Agreement, and to matters relating to personnel policies, practices, and working conditions which fall within the discretionary authority of the Employer. The steps outlined in this article shall be the sole procedure available for processing covered grievances. A grievance is defined as any complaint:

- (a) By any Unit employee concerning any matter relating to the employment of the employee;
- (b) By the Union concerning any matter relating to employment of Unit employees;
- (c) By any Unit employee, the Union or the Employer concerning:
 - (1) The effect or interpretation, or a claim of breach of this agreement; or
 - (2) Any claimed violation, misinterpretation, or misapplication of any law, rule or regulation, affecting conditions of employment.

Section 5. The following are excluded from coverage under this grievance procedure:

- (a) A claimed violation of Subchapter III of Chapter 73 of Title 5 relating to prohibited political activities;
- (b) Any matter related to retirement, life insurance, or health insurance;
- (c) A suspension or removal under Subchapter IV of Chapter 75 of Title 5 taken for reasons of national security;
- (d) Any examination, certification, or appointment for federal employment;
- (e) The classification of any position which does not result in the reduction in grade or pay of an employee;
- (f) Equal Employment Opportunity (EEO) complaints;
- (g) Non-selection for promotion from among a group of properly ranked and certified candidates;
- (h) Allegations of mismanagement;
- (i) Termination of probationary or temporary employees;
- (j) Matters which may be appealed to the Merit Systems Protection Board (MSPB);
- (k) Termination of term employees due to expiration of appointment, lack of work, or lack of funds; and
- (l) Reduction-in-Force (RIF) adverse action.

Section 6. An employee who desires to use the grievance procedure must be represented by the Union unless the employee does not desire such representation, in which case the following conditions apply:

- (a) The employee MUST represent himself;
- (b) The employee must state in writing to the First-Level Supervisor and the Union that he does not desire Union representation at any step in the grievance procedure;
- (c) Resolution of the grievance must comply with the terms and conditions of this Agreement;
- (d) The Union is given the opportunity to be present during attempted resolution of the grievance; and
- (e) The Step 2 decision is final, but remains subject to arbitration.

Section 7. Grievances may be initiated by the employees (either individually or jointly), the Union or the Employer. Regardless of Union membership, employees shall not be precluded from bringing matters of personal concern to the attention of appropriate officials in accordance with applicable law, rule, regulation, or the established policies of the Employer. An employee or group of employees in the unit may be represented only by himself or the exclusive Union in filing a grievance under the negotiated procedures.

Section 8. If two or more employees initiate similar grievances (where the basis for the grievance and corrective action being sought are similar) the Union, if it has been designated as representative, will call the employees together and have them select one of the grievances for processing. The decision made on the grievance selected for processing will be equally applicable to all of the other similar grievances.

Section 9. The formal grievance shall be submitted in writing and shall contain:

- (a) the basis for the grievance (to include a description of who, what, when, where, how);
- (b) corrective relief sought; and
- (c) name of the Union representative, as appropriate.

Section 10. An employee and Union representative who is in a duty status shall be authorized a reasonable amount of official time to prepare and present a grievance through this negotiated grievance process.

Section 11. Once a grievance has been accepted for processing under this grievance procedure, failure of the employee or Union to meet the time limits prescribed in this

article will terminate further consideration of the grievance. Failure of the Employer to meet the time limits prescribed in this article shall permit the employee or the Union to advance the grievance to the next step of this grievance procedure. It is understood that there may be extremely unusual and extenuating circumstances (e.g., emergent operational requirements, pre-approved annual leave, unanticipated/unavoidable or prolonged authorized absences, or temporary duty assignments) that preclude timely submission of a grievance or provision of a timely response. In these cases, the time limits prescribed in this article may be amended by mutual agreement of the Parties.

Section 12. Employee grievances shall proceed as follows:

Step 1. The employee and/or the representative shall reduce the grievance to writing. The grievance shall be submitted to the First Level Supervisor within fifteen (15) days of the incident., or within fifteen (15) days following the date the Employee should have been expected to become aware of the incident being grieved. Within seven (7) days of receipt of the grievance, the First Level Supervisor, or designee will meet with the aggrieved employee and/or his Union representative to discuss the grievance. The First Level Supervisor will render a written decision within fifteen (15) days from the date he received the grievance.

Should resolution not be reached with the First Level Supervisor the employee may, within fifteen (15) days of receipt of the First Level Supervisor's written decision, elevate the grievance to Step 2.

Step 2. Should resolution not occur at Step 1, the employee and/or his representative may submit the grievance for a final decision by the Second Level Supervisor, or designee. Within seven (7) days of receipt of the grievance, the Second Level Supervisor, or designee will meet with the aggrieved employee and/or his Union representative to discuss the grievance. The Employer will render a written decision concerning the grievance within seven (7) days after the meeting.

Section 13. Employer grievances shall be filed in writing and submitted to the President of the Union within fifteen (15) days of the incident which gave rise to the grievance, or within fifteen (15) days following the date the Employer should have been expected to become aware of the incident being grieved. The grievance shall specify the basis for the grievance (to include a description of who, what, when, where, how) and the corrective relief sought. A meeting will be held within seven (7) days of receipt of the grievance to discuss the grievance. The Union President will render a written decision to the Employer within seven (7) days of this meeting.

Section 14. Union grievances shall be filed in writing and submitted to the Employer within fifteen (15) days of the incident which gave rise to the grievance, or within fifteen (15) days following the date the Union should have been expected to become aware of the incident being grieved. The grievance shall specify the basis for the grievance (to include a description of who, what, when, where, how) and the corrective relief sought. A meeting will be held within seven (7) days of receipt of the grievance to discuss the grievance. The Employer will render a written decision to the Union within seven (7) days of this meeting.

Section 15. Should extenuating circumstances preclude adherence to the above stated time limits, written reasons will be submitted with the grievance.

Section 16. Grievances not resolved through the provision of this article may be referred to arbitration by either the Union or Employer in keeping with the provisions for arbitration.

Section 17. Either Party may request Federal Mediation and Conciliation Service (FMCS) grievance mediation within seven (7) calendar days of a final grievance decision.

ARTICLE 35

GRIEVANCE MEDIATION

Section 1. Mediation provides for a neutral third party to assist in resolving disputes. The mediator does not render a decision. Settlement reached through mediation must be achieved by the Parties. The mediator facilitates the settlement process by encouraging communication and offering options for settlement of the dispute.

Section 2. The Parties agree to consider the use of a Federal Mediation and Conciliation Service (FMCS) grievance mediation services. Grievance mediation may be requested as outlined in the negotiated grievance procedure. Grievance mediation, if used, must be by mutual consent. Neither Party is obligated to use this service; nor shall the voluntary, mutual consent to use the service limit a Party's right to invoke arbitration at a later date. If the Parties agree to use grievance mediation, they must submit a joint signed request asking for FMCS assistance. The Parties also agree that if grievance mediation is used, it shall be conducted at the discretion of the FMCS, and that the Parties agree to follow FMCS guidelines, which entitle a grievant to be present at the mediation conference. The mediator has no authority to compel resolution of the grievance. If the grievance is not settled during the mediation process, the matter may proceed on to Arbitration. Nothing said or done by the Parties or the mediator during the mediation can be entered as evidence or used against them during any subsequent arbitration proceedings. Furthermore, the Parties agree to hold FMCS, and the mediator appointed by the service to conduct the mediation conference, harmless of any claim of damages arising from the mediation process.

ARTICLE 36

ARBITRATION

Section 1. If the Employer and the Union fail to settle any grievance processed under the Negotiated Grievance Procedure, such grievance, upon written request by either party within fifteen (15) calendar days after issuance of the Step 2 decision, or conclusion of Grievance Mediation, shall be submitted for arbitration.

Section 2. The Arbitrator shall not have the authority to change, alter, amend, modify, add to, or delete from this Agreement. The Arbitrator will be requested to render his/her decision as quickly as possible, but in any event not later than thirty (30) days after the conclusion of the hearing. Either party may file exceptions to the Arbitrator's award under appropriate authority.

Section 3. Within ten (10) calendar days after receipt of the notice, the parties shall meet to mutually select an Arbitrator. If unable to do so, the parties shall request a list of seven (7) arbitrators from the Federal Mediation and Conciliation Service (FMCS). The parties will split the cost of obtaining the list from FMCS. The parties shall meet within ten (10) days from receipt of the list. If they cannot agree on one of the listed Arbitrators, the Local and the Employer will each strike one (1) name from the list and will repeat this process until only one (1) name remains. The name remaining shall be the duly selected Arbitrator. A flip of a coin will determine which party strikes the first name from the list. After selection of an Arbitrator, the parties will meet to determine the issue to be arbitrated. If the parties cannot reach agreement, each party shall make a separate submission to the Arbitrator, and the Arbitrator will determine the issue to be decided. Only those issues properly raised in the grievance procedure may be raised in arbitration. If there is a dispute as to whether an issue is arbitrable, the question of arbitrability will be decided as a threshold issue by the Arbitrator.

Section 4. If either party refuses to participate in the selection of an Arbitrator as stipulated in Section 3 above, the Arbitrator shall be selected by the other party.

Section 5. The fee and expense, if any, of the Arbitrator shall be borne by the losing Party, as determined by the Arbitrator. If there is a split decision in which neither Party can be designated as the losing Party, the costs shall be borne equally by the Parties. When the Union and the Employer mutually request a transcript, the expense will be borne equally by the Parties; otherwise the Party requesting the transcript shall bear the expense.

Section 6. The arbitration hearing will be scheduled during normal work hours within the administrative work week and on the Agency's premises.

Section 7. Employees who are called as witnesses shall be in a duty status while testifying at an arbitration hearing. To ensure this, the Employer may change the hours of work of such employees for the day(s) they will be a witness without regard to the other provisions of this Agreement.

Section 3. The Union shall be permitted to publish notices of its local meetings on the bulletin board.

Section 4. Upon the Union President's written request, but not more frequently than twice each year, the Employer will furnish the Union a data processing runoff of all unit members' names (arranged alphabetically) and pay grade of the employee. This information, which will be furnished as soon as possible after the written request is received, will be used only in connection with administering this Agreement and for membership solicitation purposes.

ARTICLE 39

The Employer will keep the Union fully notified of any study or planned study conducted to determine the contracting out of Fleet work functions that may have a potential adverse impact on unit employees. The Employer will inform the Union at least thirty (30) days in advance of contracting decisions affecting unit employees. No decision to contract out will be effected until the Union has been notified and given an opportunity to negotiate concerning its impact and implementation.

Section 2. The Employer agrees to carefully consider the views and recommendations of the Union regarding the contracting out of unit work functions which have a potential adverse impact on unit employees.

Section 3.
