ARTICLE 14

EQUAL EMPLOYMENT OPPORTUNITY

Section 1. Both PARTIES recognize the policy of the Government of the United States to provide equal opportunity in employment for all qualified persons; prohibit discrimination in employment because of race, color, religion, creed, sex, national origin, or age to promote the full realization of equal employment opportunity through a positive, continuing program of the EMPLOYER except as otherwise provided by applicable laws and regulations.

Section 2. Any employee who has authority to take, direct others to take, recommend, or approve any personnel action, shall not with respect to such authority discriminate for or against any employee on the basis of race, color, age, religion, sex, national origin, marital status, or handicapping condition.

Section 3. Unit employees who feel they have been discriminated against have the right to discuss their complaint with an Equal Employment Opportunity (EEO) Counselor and may file a formal complaint. In addition, the employee may choose to have a personal representative when filing a formal complaint. An EEO complaint must be initiated within 45 calendar days of the discriminatory act or of the employee becoming aware of a discriminatory act. Procedures are available in the Fort Eustis Equal Employment Opportunity Office.

Section 4. The Local will be afforded the opportunity to have a UNION representative on the EEO Council, if established.

Section 5. Periodic reports compiled by the EMPLOYER on the EEO program will be publicized when appropriate for information and guidance to supervisors and employees.

ARTICLE 15
SEXUAL HARASSMENT

Section 1. Sexual harassment is a form of sex discrimination which undermines the integrity of the employment relationship. The EMPLOYER is committed to a work environment free from unwelcome advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature. Sexual harassment debilitates morale and interferes with the productivity of the organization.

Section 2. Sexual harassment is a prohibited personnel practice when it results in discrimination for or against an employee on the basis of conduct not related to performance, such as taking or refusing to take a personnel action such as a promotion depending upon an employee's submission to or rejection of such behavior.

Section 3. Sexual harassment involves overt or implied unsolicited comments, gestures, or physical contact of a sexual nature which are unwelcome, or the creation of a hostile work environment.

Section 4. The EMPLOYER's policy on the prevention of sexual harassment will be issued and posted on official bulletin boards.

Section 5. The EMPLOYER may administer appropriate discipline in instances where any individual has been properly found to have engaged in sexual harassment, in accordance with applicable laws and regulations.

ARTICLE 17

EMPLOYEE ASSISTANCE PROGRAM

Section 1. The UNION and the EMPLOYER shall have as a goal early identification and motivation for rehabilitation of possible cases of alcoholism, drug abuse, or other problems which affect job performance. Both PARTIES agree to cooperate in aiding the employee whose work performance indicates a problem by referring the employee to the Employee Assistance Program (EAP) for professional screening and diagnosis. Motivation is achieved through the employee's clear understanding that unless his problem is identified and corrected, he is subject to the existing disciplinary and adverse action procedures for unsatisfactory job conduct and unsatisfactory job performance.

Section 2. The PARTIES recognize that medical or behavioral problems of an employee and/or members of his immediate family, including alcoholism and drug abuse, can interfere with an employee's job performance, attendance, or conduct. It is in the best interests of both the EMPLOYER and the UNION to assist bargaining unit employees in recovering from these illnesses. The UNION therefore agrees to support the Employee Assistance Program of the EMPLOYER.

Section 3. A key element in assisting an employee in need of rehabilitative treatment is for the employee to recognize the problem and be willing to accept treatment. Participation by employees in all aspects of the Employee Assistance Program is voluntary. No unit employee will have his job security or promotional opportunities jeopardized by his request for counseling or referral assistance, except as may be limited by applicable law, except which relates to sensitive positions. The confidential nature of records of unit employees enrolled in the Employee Assistance Program will be preserved in the same manner as medical records. These records will not become part of the employee's Official Personnel Folder.

Section 4. If the employee enters the Employee Assistance Program, counseling, referral, and rehabilitation assistance will be provided in accordance with applicable regulations. The initial counseling session with a designated Employee Assistance Program representative will be conducted on official duty time. The employee will be granted UNION representation at the initial counseling session upon request. The employee normally will be granted sick leave, annual leave, or leave without pay for any subsequent medical treatment and rehabilitation under the Employee Assistance Program.

Section 5. The EMPLOYER and the UNION agree that when alcohol or drug abuse or other personal problems of the employee interfere with the efficient and safe performance of the employee's assigned duties, reduce dependability, or result in unacceptable conduct, this becomes the legitimate concern of the EMPLOYER. The

EMPLOYER is concerned with the accomplishment of agency missions and the essential need to maintain employee productivity.

Section 6. The Employee Assistance Program has been established by the EMPLOYER to provide non-disciplinary procedures by which an employee with alcohol or other drug problems, or personal difficulties is offered counseling, referral, and rehabilitation assistance in order to return his job performance, attendance, or conduct to acceptable levels.

Section 7. Supervisory and employee training regarding the Employee Assistance Program will be presented by the EMPLOYER as needed in accordance with AR 600-85. UNION officers and stewards may attend such training offered to supervisors on official time. As required, the EMPLOYER will publicize the Employee Assistance Program, to include assurances of confidentiality for participants.

ARTICLE 18 HOURS OF WORK

Section 1. The administrative workweek is established as the 7-day calendar week beginning at 0001 Sunday and ending at 2400 Saturday. The basic workweek for full-time employees is defined as Monday through Friday, eight hours per workday, 40 hours per week, and results in 80 hours per pay period except for employees working an Alternative Work Schedule (AWS). Employees have the option to work an AWS in accordance with Office of Personnel Management guidance. The PARTIES agree that an AWS program enables employees to better balance their work and family responsibilities, thereby increasing employee effectiveness and job satisfaction while decreasing turnover rates and absenteeism. The PARTIES further agree that agency mission accomplishment is of primary concern. Therefore, an AWS cannot reduce the productivity of the agency; diminish level of services furnished to the public by the agency; or increase the cost of agency operations (other than a reasonable administrative cost relating to the process of establishing a flexible or compressed schedule).

Section 2. AWS is defined as a flexible or compressed schedule.

a. Flexible Work Schedule (FWS): A work schedule consisting of ten (10) workdays (Monday through Friday), eight (8) hours each within the biweekly pay period, with **fixed starting and ending times and core hours.** **Once selected, the hours are fixed until the employee obtains supervisory approval to select different starting and stopping times.**

b. Compressed Work Schedule (CWS): A work schedule consisting of a total of 80 hours worked over less than ten (10) workdays (Monday through Friday) in a biweekly pay period. The CWS options encompasses the 5-4/9, 80 hours, 9 work day schedule of eight (8) 9-hour days and one (1) 8-hour day and the 4/10, four (4) 10-hour days each week.

Section 3. The normal hours of operation shall be between 0600-1800, Monday through Friday. Employees shall be granted, on a nonpaid basis, at least thirty (30) minutes, not to exceed sixty (60) minutes for lunch each workday, normally will commence between 1100-1300.

Section 4. The EMPLOYER may require employees to temporarily revert to a traditional five (5) day, 40 hour workweek, to accommodate events such as employee training, travel or special mission requirements.

Section 5. Normally, changes in shifts and duty hours will be established at least 2 weeks in advance, when feasible, except as provided for in 5 CFR 610.121. The

EMPLOYER shall notify the UNION and the employee(s) as far in advance as reasonably feasible of contemplated changes in shifts and duty hours.

Section 6. Employees may request to change their hours of work by coordinating with their immediate supervisor at least three (3) workdays prior to the desired change. Employees may change their desired work schedule through coordination with their immediate supervisor at least one (1) pay period prior to the desired change. The employee request will not be unreasonably denied.

Section 7. The EMPLOYER agrees to grant each employee one (1) fifteen (15) minute rest period during each four (4) hours of continuous work, except in cases of operating emergencies, at the time and location determined by the EMPLOYER. The PARTIES mutually recognize that such rest periods are not appropriate where other arrangements may exist. Rest periods, where appropriate, shall not be given during the first hour or last hour of the workday, nor within one (1) hour before or after designated lunch period.

Section 8. When staffing irregular shifts or tours of duty not established as a condition of employment upon an employee's initial hire, the EMPLOYER shall request volunteers. Assignments shall be made by the EMPLOYER's determination of skills required. When volunteers are insufficient to meet the EMPLOYER's requirements, the EMPLOYER shall make a reasonable effort to equitably rotate shifts among qualified unit employees. Irregular shifts shall not normally exceed thirty (30) calendar days except when dictated by mission requirements, skill shortages, or when approved by the EMPLOYER for volunteers for longer periods of time.

ARTICLE 19

OVERTIME

Section 1. Overtime work is hours in a pay status in excess of eight (8) hours in a day or forty (40) hours in a workweek as provided for in applicable laws and regulations. For employees using an alternative schedule, overtime is work performed in excess of the number of hours the employee was scheduled to work in a day or hours in a pay status exceeding the eighty (80) hour bi-weekly pay period.

Section 2. In the assignment of scheduled overtime, the EMPLOYER agrees to provide the employee at least one (1) day advance notice for readjustment of personal commitments. In cases of unscheduled overtime or emergency overtime, it is recognized that little advance notice will be possible because of unforeseen mission requirements; however, the EMPLOYER will notify the employee as soon as the need for overtime is recognized. An employee may be excused from overtime for personal reasons if there is another qualified employee willing to serve in his place.

Section 3. Overtime will be computed in accordance with applicable regulations.

Section 4. The EMPLOYER agrees that overtime work will be offered equitably among the employees. Consideration will first be given to those employees who possess the necessary qualifications within the immediate organizational element where the overtime need exists. The PARTIES recognize that continuity of work and special skills are valid exceptions to the normal rotation on an equitable basis. The EMPLOYER will maintain overtime rosters.

Section 5. When it is necessary for employees to return to the work site outside of their scheduled work hours to perform unscheduled overtime work, they shall be paid a minimum of two (2) hours overtime.

Section 6. If an employee refuses overtime for the purposes of this AGREEMENT in determining the equal distribution of overtime, the overtime refused will be counted as overtime worked.

Section 7. The EMPLOYER will provide the UNION, upon request, with necessary and pertinent information concerning overtime hours worked to aid in resolving inquiries into overtime distribution alleged by specific employees. New employees will be credited with the same number of hours as the employees of the same grade and title with the lowest number of hours in the Department.

Section 8. Before directing overtime, qualified volunteers from the roster will be solicited from the immediate organizational element. When volunteers from the roster are no longer available, the EMPLOYER may direct overtime. When directing

employees to work overtime, the employee with the least amount of overtime actually worked will be assigned the overtime.

Section 9. An employee away from his regularly assigned position (detail, temporary promotion, leave, light duty, etc.) will be credited with overtime as if actually worked for the purpose of determining equal distribution of overtime.

Section 10. Employees who are nonexempt under the Fair Labor Standards Act (FLSA) may elect to receive compensatory time off in lieu of overtime pay for irregular or occasional overtime worked. Compensatory time will be administered in accordance with 5 CFR 532, 550, and 551 and appropriate regulations.

Section 11. When illness or an emergency prevents an employee from reporting for duty to perform overtime, the employee should notify the EMPLOYER as soon as practicable prior to the scheduled start time of the overtime assignment, but not later than two (2) hours after the start time of the overtime assignment.

ARTICLE 20 ANNUAL LEAVE

Section 1. The employee shall earn and be granted annual leave in accordance with applicable regulations.

Section 2. Consistent with mission needs, workload and manpower requirements and when the request is submitted with sufficient advance notice, the EMPLOYER agrees that an employee's request for annual leave will be granted. Approval of request for annual leave for unforeseen emergency reasons will be granted as the circumstances warrant.

Section 3. It is agreed that the granting of annual leave will not be restricted to the extent that earned leave is forfeited by an employee. The EMPLOYER will advise employees to schedule leave throughout the year consistent with workload requirements to prevent such forfeiture. Any "use or lose" leave must be scheduled and approved prior to the beginning of the third pay period prior to the end of the leave year in order to be eligible for restoration of annual leave.

Section 4. Approval of leave is not to be presumed. It is the responsibility of the employee to ascertain that the request for leave has been approved. The EMPLOYER will act on the request for leave as soon as practicable following submittal and inform the employee of the decision.

Section 5. The EMPLOYER will avoid cancelling annual leave, subject to mission needs, workload and manpower requirements.

Section 6. It is agreed that no employee shall be called back from leave unless an emergency or workload exigency arises and no other qualified employee is available to perform the required duties.

Section 7. An employee unable to report for duty because of a personal emergency must request annual leave of the EMPLOYER as soon as possible but not later than 2 hours after the start of his regularly scheduled tour of duty unless precluded by emergency conditions.

Section 8. All employees may submit annual leave schedules (1 to 30 days) for the leave year by the end of January. Seniority will be considered when all requests for annual leave cannot be approved. Other annual leave will be on a first come, first served basis. The employee's needs and desires will be considered by the EMPLOYER. Normally, an employee should schedule annual leave of one week or more duration, one month in advance.

Section 9. Regular days off immediately preceding and following scheduled vacation periods will be treated as part of the vacation schedule, to permit employees to include those days in their vacation plans.

Section 10. An employee may request approval of advanced annual leave up to the amount they would accrue by the end of the current leave year (pay period 26).

ARTICLE 21 SICK LEAVE

Section 1. Employees will accrue and be granted sick leave in accordance with applicable laws and regulations. The UNION joins the EMPLOYER in recognizing the insurance value of sick leave and agrees to encourage employees to conserve such leave so it will be available to them in case of extended illness.

Section 2. Earned sick leave shall be granted to employees when they are incapacitated for the performance of their duties provided that employees not reporting for work because of incapacitation for duty furnish notice to the supervisor or the supervisor's designee, as soon as possible, but not later than two (2) hours after the start of the tour of duty unless emergency conditions preclude such notification.

Section 3. Sick leave, if available, will be granted to employees in accordance with applicable laws and regulations when they are incapacitated for performance of their duties by sickness, injury, or pregnancy, medical, dental, or optical examination or treatment; or when exposed to contagious diseases as defined by Federal regulations and when the presence of the employee at his place of duty would jeopardize the health of coworkers. Request for sick leave for medical, dental or optical examination or treatment shall be submitted for approval, at least 3 days in advance of the appointment, if possible. Employees will make reasonable efforts to schedule such appointments after working hours or on non-workdays.

Section 4. An employee is entitled to use sick leave to:

- a. provide care for a family member who is incapacitated as a result of physical or mental illness, injury, pregnancy, or childbirth;
- b. attend to a family member receiving medical, dental, or optical examination or treatment;
- c. provide care for a family member who would, as determined by the health authorities having jurisdiction or a health care provider, jeopardize the health of others by that family member's presence in the community because of exposure to a communicable disease; or
- d. make arrangements necessitated by the death of a family member or attend the funeral of a family member.

The amount of sick leave granted under this section to a full-time employee during any leave year may not exceed a total of 104 hours. A part-time employee or an employee with an uncommon tour of duty may not exceed the number of hours of sick leave he normally accrues during a leave year.

Section 5. Periods of absence on sick leave in excess of three (3) consecutive work days must ordinarily be supported by a medical certificate to be filed upon return to duty. In lieu of a medical certificate, the employee's signed statement explaining the nature of his illness may be accepted when considered unreasonable to require a medical certificate because the illness did not require the services of a physician. **The EMPLOYER may also require a medical certificate for an absence of less than 3 workdays in accordance with 5 C.F.R. Section 630.405 (a).**

Section 6. In individual cases where there is reason to believe the employee is abusing sick leave privileges, the employee may be required to furnish a doctor's certificate for any sick leave request. The number of hours of sick leave used will not in themselves establish abuse. In such cases, the employee should normally be advised orally that, because of the questionable sick leave record, a medical certificate may be required for each subsequent absence on sick leave. If this does not bring about the desired improvement in his sick leave record, he will be advised in writing that all future requests for sick leave must be supported by a medical certificate. This requirement shall be reviewed by the immediate supervisor at the end of 6 months to determine if it should be eliminated. The employee shall be informed in writing of the decision to cancel the requirement. When the requirement for a medical certificate is to be continued, the employee shall be informed orally and confirmed in writing of this decision by the immediate supervisor.

Section 7. The EMPLOYER agrees to advance sick leave not to exceed 240 hours in established deserving cases of serious disability or ailment. Such leave is subject to the following:

- a. The employee furnishes written evidence from a physician or practitioner that the employee is expected to return to duty on a permanent basis;
- b. The employee has exhausted all accumulated sick leave and any annual leave in excess of 240 hours;
- c. There is no evidence indicating the employee will not remain employed after his return to duty long enough to repay the advanced sick leave; and
- d. The employee is not under a written medical certification requirement.

Section 8. When a medical official has certified that an employee has physical restrictions that preclude the full performance of the duties of his assigned position, the EMPLOYER agrees to attempt to assign duties that the employee can perform within the given restrictions for a reasonable period of time.

Section 9. The EMPLOYER agrees when employees are sent home due to illness, the absence will be charged to sick leave in accordance with regulations. The EMPLOYER agrees when employees are sent home due to on-the-job injury, the absence for the

remainder of the day will be charged in accordance with the provisions of applicable regulations and instructions.

Section 10. Sick leave records shall be considered personal in nature, and as such, are confidential. Records of sick leave shall be maintained only by those persons properly designated to maintain them.

Section 11. Sick Leave for Adoption will be granted IAW 5 CFR 630.401.

ARTICLE 22

FAMILY AND MEDICAL LEAVE

Section 1. Statutory Entitlements under the Family and Medical Leave Act (FMLA) of 1993 are set forth in 5 C.F.R. 630.1201 – 630.1210

Section 2. An employee may elect to substitute accrued annual leave for sick leave or LWOP.

Section 3. Job benefits and protection provided under the FMLA include the following:

a. For the duration of FMLA leave, the employee may opt to continue his health benefits enrollment while in LWOP status. If the employee opts to continue this enrollment, the EMPLOYER shall continue paying the EMPLOYER's share of the group health plan. Employees may pay the employee share of the premiums on a current basis or may incur a debt and pay his share upon return to pay and duty status.

b. Upon return from FMLA leave, employee(s) shall be restored to their positions they held when the leave commenced, or to equivalent positions with equivalent status, pay, benefits and other employment terms.

c. The use of FMLA leave shall not result in the loss of any employment benefits which accrued prior to the start of an employee's leave. The employee may be required to use accrued annual leave over 240 hours.

ARTICLE 23

BONE MARROW OR ORGAN DONATION

In accordance with 5 U.S.C. 6327, an employee may use up to seven (7) days of paid leave every calendar year to serve as a bone-marrow donor. An employee also may use up to thirty (30) days of paid leave each calendar year to serve as an organ donor. Leave for bone marrow and organ donation is a separate category of leave that is in addition to annual and sick leave. Except in emergency cases, such absences must be requested by the employee in advance of the absence. They must be submitted in writing through the First Level Supervisor to the Commander, or designee, for approval. The request must state the nature of the donation and the amount of time requested. Any additional absence must be charged to annual, sick leave, or leave without pay, whichever is applicable. Official documentation from the medical center/provider must be submitted along with the request.

ARTICLE 24
COURT LEAVE

Section 1. In accordance with 5 U.S.C. 6322, 5537, and 5515, an employee is entitled to Court Leave (paid time off without charge to leave for service as a juror or witness).

Section 2. Court leave will be granted, in accordance with applicable law and regulations, to an employee who is summoned to act as a witness before a court on behalf of the United States Government, state and local governments, or to perform jury duty in any court of law. When an employee is called as such a witness or juror, he will notify his supervisor and submit a copy of the subpoena or summons. Upon completion of service, the employee shall submit written evidence of the dates and times he served as such a witness or juror.

Section 3. If an employee is excused from such service with sufficient time to enable that employee to return to duty for at least 2 hours of the scheduled workday the employee shall return to duty unless granted appropriate leave by the EMPLOYER. It is an employee's responsibility to request and receive approval prior to going on leave.

Section 4. Monies paid to jurors or witnesses which are in the nature of "expenses" (e.g. transportation) do not have to be reimbursed to the agency.

Section 5. When an employee's witness service is not in connection with a judicial proceeding to which a government entity is a party, and that service is not associated with the employee's official capacity, the employee's absence from duty must be charged to annual leave or LWOP, and the employee may accept fees and expenses incidental thereto.

ARTICLE 25
LEAVE WITHOUT PAY

Section 1. Leave without Pay (LWOP) is a temporary non-pay status and absence from duty that may be granted at the employee's request. LWOP shall be administered in accordance with applicable laws and regulations.

Section 2. Employees have an entitlement to LWOP in the following situations:

a. The Family and Medical Leave Act of 1993 (FMLA) (Public Law 103-3, February 5, 1993), provides employees with an entitlement to a total of up to 12 weeks of unpaid leave (LWOP) during any 12-month period for certain family and medical needs.

b. The Uniformed Services Employment and Reemployment Rights Act of 1994 (Public Law 103-353) provides employees with an entitlement to LWOP when employment with an EMPLOYER is interrupted by a period of service in the uniformed service.

c. Executive Order 5396, of July 17, 1930, provides that disabled veterans are entitled to LWOP for necessary medical treatment.

d. While receiving worker's compensation payments from the Department of Labor, Office of Workers Compensation Program.

Section 3. Employees in an approved LWOP status will retain all rights and privileges with respect to retirement status and coverage under the Federal Employees Group Life Insurance and Federal Employees Health Benefits Program, to the extent that they are entitled to such benefits. Employees should be aware that LWOP affects their entitlement to or eligibility for certain Federal benefits. (5 U.S.C. 8332 and 8411; 5 CFR 890.303(e)).

Section 4. When a liberal leave policy is in effect, and leave is granted, LWOP may be approved for employees who request leave for the period of time covered by the liberal leave policy.

Section 5. Any employee granted leave without pay is required to keep the EMPLOYER notified of his current address and/or contact information. The EMPLOYER recognizes the bumping and retreat rights of an employee on approved leave of absence in situations where the employee is affected by reduction-in-force action during his leave of absence.

ARTICLE 26

HOLIDAYS AND HOLIDAY OBSERVANCE

Section 1. Employees shall be entitled to all holidays now prescribed by law and any that may be later added by law and all holidays that may be designated by Executive Order.

Section 2. Employees shall receive the number of hours normally scheduled to work on a day designated a holiday, at their regular hourly rate of pay, on all days defined as holidays that they are not required to work.

Section 3. All employees who work on holidays during their regular shift shall receive holiday pay computed in accordance with applicable regulations.

Section 4. Employees assigned to regularly scheduled night work are entitled to night differential pay in accordance with applicable regulations on all days designated as holidays on which they are not required to work.

Section 5. When a holiday falls on a Saturday, the holiday will be observed on the preceding Friday; likewise, when a holiday falls on a Sunday, it will be observed on the following Monday for employees whose tour of duty is Monday through Friday.

Section 6. For employees who are scheduled to work on Sunday in their basic workweek, and a holiday falls on a regular scheduled workday in lieu of Sunday, the next scheduled workday will be observed as the holiday. For employees scheduled to work on Saturday, and a holiday falls on a regular scheduled workday in lieu of Saturday, the previous scheduled workday will be observed as the holiday.

Section 7. For employees on Compressed Work Schedules, if a holiday occurs on Sunday, the following regularly scheduled workday is the employee's in-lieu of holiday. If the holiday falls on any other day, the in-lieu of holiday is the preceding regularly scheduled workday. An employee will not change their CWS for the sole purpose of adjusting their in-lieu-of holiday.

ARTICLE 27
EXCUSED ABSENCES

Section 1. Unit employees are encouraged by the parties to donate blood. In support of this goal, the EMPLOYER agrees to excuse employees from duty to donate blood, subject to mission and work exigencies. The maximum excusable time for blood donation, travel time, and recuperation should not to exceed 4 hours, except in unusual cases.

Section 2. Unit employees should be excused to participate in interviews and written examinations conducted within the local commuting area under the Department of Defense Merit Promotion (Staffing) Plan, provided the interviews or examinations are conducted during regularly scheduled working hours.

Section 3. Employees may be granted excused absences for other purposes in accordance with regulations.

Section 4. Supervisors may grant excused absences for up to 59 minutes.

Section 5. Tardiness: Employees are expected to report for work on time and to be present for the prescribed tour of duty. Reasons for tardiness shall be reported promptly to appropriate supervision. Infrequent tardiness should be excused by the supervisor. Frequent instances of tardiness or lengthy periods of tardiness may be charged to annual leave or absence without leave as appropriate

ARTICLE 28

CIVIC RESPONSIBILITIES

Section 1. As a general rule, where the polls are not open at least 3 hours either before or after an employee's regular hours of work he may be granted an amount of excused leave which will permit him to report for work 3 hours after the polls open or leave work 3 hours before the polls close, whichever requires the lesser amount of time off.

Section 2. The PARTIES recognize the importance of employee participation in authorized charitable fund raising campaigns, savings programs, blood donor programs, and other charitable and humanitarian activities. It is agreed that such participation shall always be voluntary and that the EMPLOYER and the UNION shall refrain from exerting pressure upon employees to participate.

ARTICLE 29

MEDICAL FLEXIPLACE PROGRAM

Section 1. A Medical Flexiplace program is designed to permit employees who have a temporary medical condition that precludes them from working at the conventional workplace to continue to be productive and accomplish work assignments that can be performed at a place other than the regularly assigned work site. The UNION and the EMPLOYER agree that not all positions are eligible for this program. The medical condition shall be certified in a manner that is administratively acceptable. Medical Flexiplace is intended for employees who do not have permanent medical conditions.

Section 2. Responsibilities.

a. Responsibilities of Management:

- (1) Authorize use of flexiplace assignments;
- (2) Ensure that appropriate management controls and reporting procedures are in place before employee begins assignments;
- (3) Authorize work site arrangements;

The immediate supervisor, or designee, shall make a reasonable effort to resolve the grievance and will render his written decision or findings/conclusions to the employee within seven (7) work days of the date the employee submitted the grievance.

Step 2. Should resolution not occur at Step 1, the employee may submit the grievance for further consideration by filing his written grievance within seven (7) work days of receipt of the Step 1 decision to the second level supervisor. This grievance shall identify:

- a. The basis for the grievance;
- b. The date of the occurrence or awareness of the incident being grieved;
- c. The date of receipt of the Step 1 decision; and
- d. The corrective relief sought.

Representatives of the EMPLOYER will meet with the grieved employee and his UNION representative to discuss the grievance. The second level supervisor, or designee, will render a written decision within seven (7) work days from the date he receives the grievance.

Grievance mediation must be requested in writing within ten (10) work days following the last step in the Grievance Procedure. Grievance mediation, if used, must be by mutual consent. Neither party is obligated to use this service; nor shall the voluntary, mutual consent to use the service limit a party's right to invoke arbitration at a later date. If the PARTIES agree to use grievance mediation, they must submit a joint, signed request, asking for FMCS assistance. Such request will be made with the understanding that grievance mediation is an informal process intended as a supplement to and not a substitute for the arbitration process. The PARTIES also agree that if grievance mediation is used, it shall be conducted at the discretion of the FMCS and that the PARTIES agree to follow the guidelines, which entitle a grievant to be present at the mediation conference. The mediator has no authority to compel resolution of the grievance. If the grievance is not settled during the mediation process, the matter may proceed on to arbitration. Nothing said or done by the PARTIES or the Mediator during mediation can be entered as evidence or used against them during any subsequent arbitration proceedings. Furthermore, the PARTIES agree to hold FMCS, and the Mediator appointed by the Service to conduct the mediation conference, harmless of any claim of damages arising from the mediation process.

Representatives of the UNION and the EMPLOYER will meet within ten (10) work days after receipt of such a list. When necessary, an employee's shift will be adjusted to accommodate presence at the hearing in a duty status.

Section 8. The Arbitrator will be requested to render a decision not later than thirty (30) calendar days after conclusion of the hearing, unless the PARTIES agree otherwise.
